

## **Internal Quality Assurance Cell**

### **Introduction**

In observance of National Assessment and Accreditation Council (NAAC) guidelines every accredited institution should establish an Internal Quality Assurance Cell (IQAC) to initiate, plan and supervise various activities which are necessary to increase the quality of the education imparted in institutions and colleges. Since quality enhancement is a incessant process, the IQAC will become a part of an institution's system and work towards realizing the goals of quality enrichment and sustenance. The prime responsibility of IQAC is to cultivate a system for conscious, consistent and catalytic progress in the performance of institutions. The IQAC will make a substantial and meaningful contribution in the post-accreditation phase of institutions. During the post-accreditation period, the IQAC will channelize the efforts and measures of an institution towards academic excellence. IQAC established at Govt. P.G College, Bilaspur, Rampur (U.P) will continue to strive for the betterment of processes and setup.

### **Objectives of IQAC**

- To evolve a quality assurance system for the sustenance and enhancement of academic and administrative performance of Govt. P.G College, Bilaspur.Rampur (U.P).
- To confirm liability for quality in education of educational institutions amongst students, parents, professors, personnel and stakeholders associated with college and sustain the credibility of the assessment process for accretion in higher education.
- To endorse measures for institutional functioning towards quality augmentation through internalization of the quality culture and institutionalization of best practices.
- To take initiatives for periodic internal academic audit of the teaching learning and research activities of all departments, faculty members and College.
- To disseminate information relating to various quality parameters for improving institutional performance.
